Pathology Requisitions and You

Did you know.....

Much like a prescription, a “path req” from your practice is the clinician’s order for pathology to be performed. Therefore, a properly filled pathology requisition is of vital importance to your patient’s care. In this edition of our newsletter, CPC is highlighting fields required for **manually written pathology requisitions**, as seen below.

REQUIRED FIELDS

Ph: 847-996-1030 Fax: 847-996-0791
