

## CPC April 2025 Newsletter

## Pathology Requisitions and You, Part 2 - ModMed/EMA

In March, we showed everyone how to complete a handwritten CPC requisition. In this edition of our newsletter, CPC is highlighting fields required as seen on ModMed "EMA" requisitions, below. After you choose the destination lab (CPC), EMA completes the other fields for you!

Still looks like a lot of yellow, right? It is, but as a CAP and CLIA-accredited laboratory, CPC is committed to providing the highest standard of accurate care for your patients. AND, EMA does a lot of the work for you. Now you know :, so please double check EMA fields after you print the Path Req.
